LOCATION.

Location: We are located in northern Ohio, six miles from Lake Erie, 25 miles west of Cleveland on the L. S. & M. S. and B. & O. R. Rs., affording competition in freight rates and a rapid and convenient shipping outlet in every direction. Three express companies: U. S., American and Wells-Fargo, also give excellent service.

THE OHIO NURSERY & SUPPLY CO.

Certificate of inspection furnished with each shipment.
All stock fumigated if desired.

CERTIFICATE OF NURSERY INSPECTION.

No. 417.

Columbus, O., Sept. 9, 1909.

This is to Certify that in accordance with the provisions of the Nursery and Orchard Inspection Law of the State of Ohio, the nursery stock for sale by THE OHIO NURSERY & SUPPLY CO., W. P. Bates, Mgr., of Elyria, County of Lorain, State of Ohio, has been inspected by a duly authorized Inspector, and has been found apparently free from dangerously injurious insects and plant diseases.

INVALID after September 15, 1910.

N. E. SHAW,
Chief Inspector.

TO THE TRADE

In presenting this, our regular wholesale price list, we wish to thank our many customers for the liberal trade extended us in the past and to assure you of our appreciation of your continued patronage, which we shall make every effort to merit.

We urgently request correspondence and trial orders from our new customers, feeling confident that you will be pleased with our stock and method of doing business.

We have added to our equipment and plant until we now have one of the best equipped Nurseries for growing seedlings, Ornamentals, Shade Trees, Shrubbery, and Evergreens in the country. We annually plant ten to twelve thousand pounds of seed of this description, besides hundreds of thousands of grafts, cuttings, layers and transplants, for the wholesale trade exclusively.

We have the exposure of stock reduced to the minimum. After digging, all stock is immediately sent to the packing house where it is graded, packed and handled under cover; customers may rely on receiving stock in prime condition.

We carry a large stock of the stock mentioned in this list and can ship at any time after Nov. 10, for winter or spring shipments. Everything offered is young, thrifty, well grown stock and graded to highest standard, our soil grow heavy, rooted stock and light tops. Most stock carries roots enough for a grade higher than listed. We are always ready to submit prices to large list of wants.

Shipping—Please give shipping directions, whether by freight or express; also route. If no directions are given we will forward to the best of our judgment, without assuming responsibility, as all goods travel at purchaser's risk and expense. All freight shipments released to the value of \$5.00 or \$3.00 per cwt., according to classification governing

unless otherwise instructed. Shipments can generally be made as early in the spring as customers may desire.

Packing—Prices quoted are net, boxing and baling additional, for which we charge to cover cost. Particular care is taken to pack all stock in a thorough manner so that it will reach destination in prime condition.

Terms—Cash or satisfactory security, except we extend the usual terms of credit to known, responsible nurserymen. Orders to be sent C. O. D. should be accompanied by one-fourth cash to receive prompt attention.

Prices—The quotations in this list are for the wholesale trade only and limited to fall of 1909, and spring of 1910. Should prices change either higher or lower, during the season, the prices made at the time an order is accepted are expected to stand.

Rates—100 trees of one variety or grade at hundred rates; one thousand trees of one or more varieties or grade, not less than one hundred of a variety or grade accepted at thousand rates; ten thousand trees of one or more variety or grades, not less than one hundred of one variety or grade accepted at ten thousand rate. That is, you can make up your order of as many varieties or grades to make ten thousand as long as the order is one hundred or multipical of one hundred. When stock is only listed by the hundred, or one thousand, that is the lowest ruling price for the variety or grade, regardless of the size of order.

Caution—We accept all orders on the condition that they shall be void should injury befall our stock from frost, hail, fire or other causes over which we have no control.

Grades—We grade carefully, in some cases by caliper in others by height. When graded by both caliper

and height the caliper must govern.

Claims—All claims for errors and deductions must be made within ten days after receipt of goods.

Guarantee of Genuineness—While we exercise the utmost diligence and care to have our varieties true to name and hold ourselves in readiness on proper proof, to replace all trees, etc., that may prove otherwise,

or refund the amount paid it is mutually understood and agreed between the purchaser and ourselves that we shall in no case be liable for any sum greater than the amount originally received for said trees, etc., that prove untrue.

Correspondence and inspection invited.

LABELS

We wish to call your attention at this time of our New Label which we are now manufacturing in our supply department. They are pronounced by all whom have used them to be the best Label on the market, and with the long experimenting that we have done with them ourselves, we are confident that they are perfect in both quality and price, and a trial order will convince you of the same. We are now in position to manufacture them and to fill orders on short notice and will gladly send samples of same.

The stock that we use is high grade water proof rope stock, and the dampness and weather does not weaken them in the least. We are manufacturing both plain and printed by automatic machinery which makes the labels more perfect than ever before. There is nothing to catch to tear them off and they cannot possibly injure the plant if left on same as other labels as they release themselves as the plant expands. They can be written on with either pen or pencil, are light and convenient and easy to attach and do not require any recommendation in this line. We are pleased to quote you

	1,000	10,000	100,000
No. 6 Printed.....	\$.75	\$6.50	\$55.00
No. 6 Plain.....	\$.75	\$6.50	\$55.00

Colored Labels 45 cents per thousand in advance of the above.

We furnish shipping tags of the best quality to match Labels.

These labels are put up in boxes of 1,000 each, 10,000 to the crate. Shipping weight 28 pounds to the crate. Printed labels not less than 100 of one variety. Can print your name and address on back, 25c for the first thousand and 5 cents per thousand for each additional thousand.

We will send post paid to any address 1,000 plain for 75 cents and printed for 85 cents or stamps to introduce them. We would be glad to have your orders as early as possible before the rush of season begins.

SUPPLIES

In this department all quotations are net cash 30 days from date of invoice, prices subject to change with market fluctuation.

Twin Tarred Sisal, about 50 pound coils, No. 130, 8 1-4c.

Twin Harred Sisal, about 50 pound coils, No. 200, 8 3-4c.

Tarred Sisal, in 4 pound balls, 1-4 of a cent above coils.

Two ply hide rope and two ply coarse per pound 10c.

Best Wool Twine 8c.

We do not sell less than full reels and full bales in twines.

PAPER

We use only the very best that we can buy which is light and very strong. We quote in full rolls only.

Paragon Pearl Fibre in rolls 15-in. in diameter, 36, 40 and 48 inches wide 4 1-2c per pound.

Rex Hardware express extra quality and strength made from screenings of high grade paper, 9-in. rolls in width 36, 40, 48, 54 and 60 at 4 1-2c per pound.

Duplex water proof case lining, the strongest water proof paper manufactured, \$5.00 per thousand square feet.

Coated rag water proof case lining, price on application.

SHIPPING TAGS

Prices on application, also Box Tags owing to the amount of composition and quality of stock used in same. It is impossible to quote definite prices.

RAFFIA

We offer only the best grade. 1 pound post paid 30c.

10 to 50 pounds at purchaser's expense 12 1-2c per pound.

100 pounds 11c per pound.

Bale lots 9 1-2c.

SOFT STEEL FOR BOX STRAPS.

About 1 inch wide and 9 inches long, packed in kegs, or in lengths 23-60 inches. In bales less than 50 pounds, per pound 5c; 50 pound keg 4 3-4c; 100 pound keg 4 1-2c. In bales uncut 4c per pound.

This will be shipped direct from factory, Northern Indiana.

REMARKS:

We are wholesale growers of Nursery Stock, and manufacturers of Tree Labels. We do not buy Nursery Stock to sell or have same grown on contract or pull from the Forests, so do not compare our list with such as every item is strictly nursery grown, and fully up to grade in every respect.

Please read page 5 regarding our Labels. We guarantee them to stand 12 months in any climate or cellar and be in perfect condition or refund the money.

TESTIMONIAL

We have plenty, but do not publish same. We sell our goods on their merits and a trial order will convince you that we do not need to publish same. Kindly preserve this price list; if you do not need it now you may later. We do not grow Fruit Plants or Trees, so have none to offer. This list covers our entire product for this season and cancels all previous quotations. Our fall shipping season commences October the 1st, 1909, and continues until April 25th, 1910.

Yours truly,

THE OHIO NURSERY & SUPPLY CO.
